

# EVACUATION ALERT LIFTED

## Cowichan Tribes Reserve Lands

January 6, 2021 at 10 am

Due to decreased flooding risks, an Evacuation Alert issued by Cowichan Tribes First Nation on January 2, 2021 at the Emergency Operations Centre (EOC) has been lifted.

The cancellation impacts the following areas that were previously under an Evacuation Alert:

- Quamichan West
- Clem Clem
- Wil'seem Road
- Sahilton Road
- Tyup Road
- Joe Road
- Green Point or Khenipson Road

See **map** below.

We thank everyone for their patience and resiliency while the Evacuation Alert was in effect. Staff will continue to monitor flooding conditions. If there are any changes that require action by the community, updates will be issued on Cowichan Tribes' Facebook page and website.

Chief William Seymour
