# MEMORANDUM

*Date: March 11, 2020*

**TO:** Cowichan Tribes Members and Person(s) conducting activities on Cowichan reserve lands

**FROM:** Lulumexun Lands and Governance

**SUBJECT: Interests and Licenses – Quw’utsun Tumuhw (Land Code)**

---

'Uy' skweyul (Good Day),

We are encouraging Members and person(s) carrying-out activities on Cowichan reserve lands to contact the Lands Department about their land business, interests and/or agreements.

Under the Quw’utsun Tumuhw, the Lands Department reviews and processes land transactions on Cowichan Tribes reserve lands, which includes:

- Land lease agreements (i.e., commercial, retail, industrial, agriculture)
- Subleases
- Permits
- Right of ways
- Allotments
- Transfers
- Mortgages
- Other legal documentation

The new process(s) are easier and faster, as Indigenous Services Canada is no longer included in the process. During this changeover, the Lands Department will support our Members by answering any questions and/or explaining the new process(s).

Please contact the Lands Reception at 236-800-4023 or [lands@cowichantribes.com](mailto:lands@cowichantribes.com) who will connect to the correct contact.
