Power outage: where, when & why

- **Outage #:** M169378-04
- **Where:** Boys Rd Sewer Pump
Duncan BC
- **Why:** Equipment Maintenance
- **When:** Thursday, July 15, 2021 between 10:30 a.m. and 12 p.m.

A few other things you need to know

- This **power outage could be cancelled**, without notice, due to weather conditions or availability of crews during an emergency.
- The **start & end times for the outage are estimates**, so they may vary. Our priority is to switch power off to keep our work crews safe.
- **We apologize for the inconvenience.** This scheduled outage is for work that will help ensure the most reliable service possible in your area.

Unplug your electrical devices

Protect your electrical devices from damage. During an outage, unplug all electrical equipment and turn off items such as lights, heaters, and major appliances.

During the power outage, elevators and garage doors will not operate.
