OTHER

The proposed **Trans Mountain Expansion Project** is committed to providing pipeline and facilities construction employment opportunities for Aboriginal and local community members. Trans Mountain’s plans are to maximize local, regional and Aboriginal employment opportunities by working with communities, construction companies and industry associations along the pipeline corridor. If the expansion is approved, construction will take place in a phased approach between 2016 and 2018. When construction of the project is at its peak, the anticipated workforce will reach approximately 4,500 workers. Register your interest now <http://www.transmountain.com/jobs>
